

VCE MATTERS

The College has been in contact with the Victorian Curriculum and Assessment Authority, (VCAA), regarding the up-coming Unit 3 examinations and the General Achievement Test, (GAT). They advised that the examinations will proceed as normal. A memorandum will be issued from the VCAA later.

There is provision for a Group Derived Examination Score and the College is in discussion with the VCAA in this regard, to ensure no student is disadvantaged.

Internal School Assessed Course-work and School Assessed Tasks will be completed when possible ensuring, again, that no student is disadvantaged.

Students sitting Unit 3 Examinations should use this time to revise and prepare. As students are not able to access the College, staff will upload revision materials to the relevant subject folders on the student extranet. Work for other subjects will also be uploaded. Unit 3 students may contact subject teachers if necessary.
