

2006 CHESS TOURNAMENT

The Pamela Coyne Library was host to the inaugural DRC House Chess Competition in Term 2.

Thirty-five students from Year 7, 8 & 9 enthusiastically signed up to participate in the Competition.

Each week competitors arrived promptly at lunchtime to the Pamela Coyne Library for their scheduled playoffs.

Students played their games respectful of the rules of chess. Pensive and thoughtful faces were evident as students analysed and logically decided on each move. Games required concentration, patience and the ability to cope with both frustration and elation.

Congratulations to all chess competition participants for their commendable sportsmanship. Well done to each of the Year 7, 8 & 9 Champions.

At the end of the competition each participant was presented with a Certificate of Participation at their Year Level Assembly, with the Year Level winners being

Year 7	-	Daniel Mandaglio	GLENORA
Year 8	-	Kristian Hiho	LARAPINTA
Year 9	-	Frank Lekkas	GLENORA

These winners each received a new chess set and an Angus and Robertson Book Voucher.

Early next term the Year Level winners will play off to be the inaugural DRC Chess Champion.
