

## **2006 HOUSE ATHLETICS CARNIVAL**

After the disappointment of having to cancel our Carnival on Friday, 21<sup>st</sup> April, 2006 due to inclement weather, we decided to reschedule the event for Friday, 13<sup>th</sup> October. In hindsight it was a good decision, the weather was magnificent, sunny conditions with a slight northerly breeze.

There were 49 new records set over the course of the day, students keenly contested all of the 158 events on offer. Year 11 & 12 students took the opportunity to dress in appropriate house colours, these colourful outfits added a real flavour to the day.

In the four years I have been House Co-ordinator – this was the tightest competition between the four houses with only a few points separating each team until the final events. Staff support for the day and the students' enthusiasm and involvement made it the most successful House Athletics Carnival to date.

As is tradition, the last event of our College Carnival is the running of the prestigious Principal's Gift, where the fastest 100m male and female runners are pitted against one another in a handicapped event. Attached is a full list of results.
