ARTIST IN RESIDENCE AT ST MONICA'S COLLEGE

St Monica's College Epping is pleased to welcome noted artist Kyoko Imazu to the College as artist-in-residence for 2016. Kyoko is a Japanese born print maker, book binder and maker of artists' books. She recently launched her latest illustrated book, "Following", at the National Gallery of Victoria.

The program is now in its' fourth year and Kyoko will work with Year 8 students to design and paint an artwork to be installed in the College's ELearning Centre. The artwork will be a large scale relief print exploring the beauty of the natural world. Kyoko is very keen also to create opportunities for the broader College community to contribute to the artwork.

St Monica's College Epping Principal, Mr Brian Hanley, welcomed Kyoko to the College community. "Our College is dedicated to bringing the best learning experiences to our students across our broad curriculum. We are very pleased to welcome such an eminent artist as Kyoko to our College. Kyoko has had significant international experience and I am sure the students who will have the honour of working with her will benefit from this rich experience."

Kyoko will be on campus for the remainder of term two.

Media interviews are welcome and picture opportunities arranged by request.
