MEDIA RELEASE

NEW AUGUSTINE HOUSE OPENING

The new Augustine House on Dalton Road will be blessed and opened on Friday 1 June.

The building brings together all of the main administrative functions at the College into one centre, which also includes meeting and conferencing facilities.

The building has been designed by architectural firm ClarkeHopkinsClarke and built by the Johns Lyng Group.

St Monica's College Principal, Mr Brian Hanley, said the new building is the first in a series of redevelopments under the banner of 'Project Forward'.

“Augustine House will support the College in many ways as the main service point for the College. Bringing many of the executive and management functions into this new administrative centre has created space for us to build a new innovative three level teaching and learning centre, now under construction on the Davisson Street Campus. Project Forward will continue to deliver the best facilities to St Monica's College Epping ensuring our College stays at the forefront of Catholic Education in Victoria. Every student at our College will benefit from this strategic redevelopment program.”

Augustine House will be blessed and formally opened by Reverend Father Maurie Cooney, former Parish Priest of St Peter's Epping/St Mary of the Cross North Epping.

Date: 1 June 2018
Time: 6:30pm
Location: 400 Dalton Rd, Epping.
