MEDIA RELEASE

14 April 2015

ST MONICA'S BOYS RULE THE WORLD (NZ, at least)

A team of boys from St Monica's College Epping has won a major basketball tournament in New Zealand.

The boys travelled to Auckland during the school holidays to take part in the Under 17 Division of the Super City Easter Slam. 58 teams competed at the North Shore Events Centre in Auckland.

The St Monica's boys won their seven games straight to take out the championship title in the grand-final against Auckland Blue. The Under 17 girls' team played in a higher age level and won a creditable 5 of their 7 games.

St Monica's Principal, Mr Brian Hanley, congratulated the team. "Sport is an important part of life at St Monica's College and we are very proud of the Under 17 Boys win and the strong efforts of our girls' team. The opportunity to travel and compete internationally is a great experience for our students and we congratulate the students, parents and staff on their marvellous efforts and results in New Zealand."

St Monica's College Basketball Academy is managed by former Olympian and NBL player John Dorge who led the travelling party to New Zealand.
