### CHECKMATED AT ST MONICAS COLLEGE EPPING

More than 50 students at St Monica's College Epping (SMC) will compete in the SMC Chess Tournament to be held on Monday 18 May.

This year the annual tournament will attract students from all year levels to compete for the title of SMC Chess Champion in two grades. Year seven to nine and year ten to twelve.

SMC Principal, Mr Brian Hanley, said this is a tournament of the minds.

"Chess is alive and well at SMC and this tournament will be hotly contested. Chess is a great test of the mind and we are pleased to have such a large number of students who are keen to play and to challenge themselves at the highest level."

The SMC Chess Club meets weekly with players sometimes travelling across to St Peter's Primary School to teach the primary students the finer points of the game.
