MEDIA RELEASE

8 May 2014

ST MONICA'S COLLEGE SALUTES EDUCATION VOLUNTEERS

National Volunteer Week will be held from 12 to 18 May.

For St Monica's College Epping this is an appropriate time to say thank you to the volunteers that make a difference to our College.

Principal, Mr Brian Hanley, paid tribute to the many people who volunteer within and outside the College.

“Volunteering is such an important part of Australia's DNA and our College has many volunteers who contribute to the success of what we do. This includes parents who give of their time to be a part of committees and boards, and current and past students and staff who volunteer as part of our Social Justice Group. This includes volunteering to cook meals for the needy, assisting with a mobile soup kitchen and many other worthwhile projects.”

“This year St Monica's College Epping celebrates its Golden Jubilee. Fifty years of Catholic education in Epping. It is the right time to say thank you to all our volunteers over those years and salute the many thousands of other volunteers around Australia whose generosity of spirit make such a difference to many people's lives. Many communities would be poorer places without this selfless giving.”

“Volunteers in education play an important part in helping young people grow into good and caring adults by supporting their educational direction through their volunteering.”
