MEDIA RELEASE

COMMUNITY DAY – HUGE EVENT

St Monica's College Epping will hold a massive Community Day on 26 October to provide a community focus to the Golden Jubilee celebrations. Established in 1964, St Monica's College Epping has grown to become a major part of the Epping community.

The Golden Jubilee Community Day will feature more than fifty food and market stalls, carnival rides, live music, student fashion parades and much more.

St Monica's College Epping Principal, Mr Brian Hanley, said the day will be a great celebration. "We are inviting all current and past students, staff and their families, as well as the broader community to come along and enjoy our wonderful facilities as we celebrate fifty years of Catholic education based in Epping. This will be a memorable day that will focus on fun for all family members. I cordially invite everyone to come along and enjoy. This is the largest community event we have ever undertaken and I am sure it will be a day to remember."

The Community Day will provide non-stop fun activities for all age groups, and a marketplace full of interesting goods and handcrafts, as well as food stalls providing a variety of food to suit most tastes. The student fashion parades will be a highlight along with live music all day.

Entry is free.
