GRANDPARENTS VISIT ST MONICA'S COLLEGE

One of the highlights of first term for St Monica's College Year 7 students is Grandparents' Day where students can invite their grandparents to visit the College and see them at work.

This year, Grandparents' Day will include a band recital from the Year 7 College Band, a tour of the College lead by the students and a special morning tea.

St Monica's College Epping Principal, Mr Brian Hanley, said the day is a highlight for the students.

"Year 7 is an exciting time as the students progress from primary to secondary education and there is a genuine excitement as they have the chance to welcome their grandparents on campus. The students have also made a gift to present to their grandparents at the end of the tour. Students will have the opportunity to take their grandparents into their classrooms as well as inspect the general College facilities."

More than 120 grandparents will attend each day.
