## MEDIA RELEASE

13 August 2015

### ST MONICA'S WEEK 2015

St Monica's Week will be held from Sunday 23 August to Friday 28 August bringing together past and present students and staff in a week of celebration and reflection. The Monican community will celebrate St Monica's Week with four key events.

**The Annual Alumni Gathering** is an opportunity for past students and staff to reconnect. The Gathering is always well attended with new alumni adding to the event's success each year.

**The Annual Oration** presents a key note speaker to address College students and staff on a special theme. This year's address is by Sr Stancea Vichie of the Missionary Sisters of Service who will share her story and reflect on the College's 2015 theme of Charity. The Missionary Sisters of Service motto is '*into the highways and byways*'. They have a particular concern for people on the margins, geographically, culturally, spiritually or socially.

**The Sports Breakfast**, anchored by past Collingwood champion, Tony Shaw, will feature The Age's Chief Football Writer, Caroline Wilson, former Australian Test Cricketer, Damien Fleming. This event promises to be very interesting given the current controversies surrounding AFL football and Australian Cricket.

**St Monica's Day** is the major event for students. Mass will be celebrated by Bishop Most Reverend Mark Edwards and be followed by activities and amusements for all students. This day is much anticipated by all students.
