# **ST MONICA'S COLLEGE STUDENTS CONSTITUTIONAL CHALLENGE**

Two Year 12 students from St Monica's College Epping will travel to Canberra next week to be a part of the National Schools Constitutional Convention. The program is entitled Indigenous Australians and the Constitution.

Zack McGuinness and David Cannavo will join about 125 students from around Australia in Canberra for the three day event which includes a welcome from the Prime Minister and a formal reception at Government House.

St Monica's College Principal, Mr Brian Hanley, congratulated the students on their selection. "This event brings together students from around Australia to discuss and debate how Indigenous Australians are impacted by the Australian Constitution and I am sure Zack and David will contribute well. We are very proud of Zack and David being included in this elite national group of students. This is a wonderful opportunity to contribute to a very important national challenge."

The event will be based at Old Parliament House and include visits to the High Court, Parliament House, National Archives of Australia and the Museum of Australian Democracy.

Photo opportunity can be arranged prior to students leaving or upon their return.
