# **BACK TO ST MONICA'S COLLEGE**

St Monica's College, Epping will hold an Alumni Community Day on Sunday, 24 March.

The event is an opportunity for Alumni of the College to visit their alma mater and check out the latest developments on campus.

St Monica's College, Epping Principal, Mr Brian Hanley, said it is a day to reminisce. "This is an opportunity for Alumni to visit the College with their families and have a look at how the College has continued to develop since their time here. They will have an opportunity to catch up with former staff and students in a carnival atmosphere. Many thousands of students have passed through our gates since the College was established in 1964 and we would like to welcome as many back as possible."

The event will run from 12:00pm to 3:00pm with plenty of family friendly activities including carnival rides, petting zoo, sporting activities, campus tours and barbecue. St Monica's College bands will also play throughout the day.
