Supercalifragilisticexpialidocious show

St Monica's College has a strong commitment to performing arts and each year a major production is staged.

St Monica's College Epping's major production for 2017 is Mary Poppins.

This classic show has attracted a new legion of fans as the Cameron McIntosh production brought Mary Poppins from the movie screen to the Broadway stage.

St Monica's College Epping Principal, Mr Brian Hanley, said the annual production is much anticipated. "Live theatre is always exciting and this production will be no exception. The commitment of the staff and students involved in our Performing Arts Faculty is to be commended and I am sure our performances of Mary Poppins will be first class."

Mary Poppins will be played by Isabelle Mazzarella with the role of Bert played by Olivia Sirianni.

Mary Poppins will be performed at the Plenty Ranges Arts and Convention Centre, South Morang on 22, 23 and 24 June.

Photo opportunities in costume are available.
