SACCSS CHESS COMPETITION

The 2023 SACCSS Chess Championships were held on Monday 17 July at CRC Caroline Springs. Twenty-four students represented St Monica's College, Epping at the tournament, which consisted of seven rounds of intense competition in Senior, Intermediate and Junior Divisions.

In total there were 261 participants from 16 competing schools, a number that emphasises the growth of chess at secondary school level in recent years.

St. Monica's College went back-to-back in the Senior Division, retaining the shield won in 2022. The winning team consisted of Captain Lachlan Brundell, Luke Gigliotti, Cruze De Giorgio, Gabrielle Malaga, Max Mircevski, James Nguyen, Angelo Kakona and Arjun Rana. Congratulations to Luke Gigliotti (12 Gold) and Cruze De Giorgio (10 Jade), who each won all seven games and were named joint Senior Division Champions.

In the Intermediate Division, St Monica's College finished in equal third position with CRC Caroline Springs. Well done to Peter Kakoliris of 10 Red, who was the highest placed St Monica's player with five wins and a draw. Special mention to Bradley Storer of 8 Gold, who won five games against players one or two years his senior.

In the Junior Division, St Monica's finished in equal first place on points won but were awarded third place by countback. Well done to the team of Mark Touma, Anshdeep Aulakh, Huy Nguyen, Henry Tran, Jot Sidhu, Anav Chawla, Adrian Robinson and Arushi Rana on this great result. Mark Touma was the highest placed St Monica's player with six wins. Congratulations to all participants.
